

About the ACSS Working Groups

The ACSS generally works by generating its own content and intellectual input in response to high-level, cross-cutting issues, and questions identified by the FSA Chief Scientific Adviser and FSA officials. This is usually achieved by bespoke working groups, listed below.

Active Working Groups

- [Assurance Working Group](#)
- [Wider Consumer Interests Working Group](#)
- [Economic Support Working Group](#)
- [Understanding Regulatory Change Working Group](#)

Previous Working Groups

- Risk Communications
- Food and You
- EU Exit
- Applying Behavioural Science
- Climate Change and Consumer behaviour Working Group
- Kitchen Life 2 Working group

A full description and outputs can be found on the [previous working groups page](#).
