Summary

The 11th Open Meeting of the Advisory Committee for Social Science (ACSS) included updates from: the Secretariat, on staffing changes and reflections on the recent ACSS networking event; Working Group chairs, on recent activity of current groups; the Head of Social Science, on the recent independent Government Social Research (GSR) review of FSA's Social Science Team; and the Heads of Analytics Unit and Social Science, on recent activity and priorities going forward.

Additionally:

- Update from Professor Susan Jebb, Chair of the FSA.
- Nat Gladstone provided an overview of the Science Advisory Committees (SAC) review and the outcomes of this for the ACSS.

- John O'Brien, the interim chair of the Science Council (SC), gave an update on recent activity.
- Members discussed potential future work for the ACSS.
